Checking with them now and will talk with Louis. Will let you know. Our meeting with Peter and Louis just got cancelled so he would be available at 3 if they really wanted to participate.

As an fyi to the team, I am also in contact with Rick Meade, senior executive over engineering and construction at Metro, and working on setting up the meeting we discussed. Not sure he can pull all the right people together by Friday but trying.

Hi, Christina,

Unfortunately, tomorrow afternoon will not work for the AECOM team, and we want to make sure that they're on the call for the discussion. It looks like Wednesday from 10:30 to 11:30 is the best chance for AECOM, and we can also have Rob Hodil join.

Lisa, can we have Mindy or Fred join us for the call on behalf of the City?

Thanks  
Dennis

Peter can only make 2-3 Tues. If you have another meeting, Mindy or Fred will be able to attend the other times, but Louis wanted Peter to join at least one.

Wednesday 9/12  
10:30-11:30 am

Thursday 9/13

Please let us know what works for your team. We'll also need to loop the City in as they wanted to be part of the conversation. Lisa – can you take the lead on coordinating with City staff?

Thanks,
