Subject: IBEC: Mike Samuelson

Folks

I am writing to inform you that I received information from Fehr & Peers that Mike Samuelson and his wife are moving to Minnesota and this Friday, May 24, 2019, will be his last day at Fehr & Peers. While he has been instrumental in getting us to where we are so far on the IBEC project, Fehr & Peers has assured me that we have realigned their internal staffing on the project to ensure that his role is covered and that the work will continue without delay. John, Netai, and Tom will continue to serve as our primary points of contact for the team.

Please let me know if you have any questions.

All the best,

Brian
