**Subject:** Inglewood: Free Money for Rich Developers

If you look at the attached below Faithful Central stands to make a lot of money from this development thats going on in Inglewood.

In fact in newly revealed documents regarding secret negotiations regarding Clippers Arena , it is obvious that it was done with the intent of deception and Fraud as Marc Little the main proponent behind the Stadium project secretly along with a former long time City of Inglewood Employee has established a non profit in City Hall to "profit" from the Clippers Arena.
