Subject: Murphy's Bowl-Vehicle Counts April 28, 2018

Good day,

This Saturday evening, April 28, a transportation consultant working for the City will be collecting information on Forum patron travel patterns. In particular, they will be counting vehicles and the number of people in each vehicle as it arrives at the Forum. The counters will conduct this work from the public right of way only and will not be entering the Forum property. The people conducting the counts will be provided with the draft attached letter. It would be appreciated if you could pass this information on to anyone who may need to be aware so that the counts can be conducted as planned. Thanks very much and please feel free to contact me at extension 4241 with any questions.

Respectfully,

Mindy Wilcox, AICP : Planning Manager : City of Inglewood

Economic and Community Development Department

Planning Division : One Manchester Boulevard : Inglewood, CA 90301
