Fred. Her insurance is approved. Please ensure that the SFA is titled the same as her certificate of insurance and also attach a copy of her FBN (fictitious business name) from the county that her office works out of. I think that I sent you a copy of this already.

Ken,

See email below along with attached insurance certificates. Please let me know if this will suffice for your approval?

Thanks,
Fred

Fred and Mindy, my apologies for being out of pocket this week. It has been a difficult week with family issues and illness. Can we talk next week?

Meanwhile, my insurance certificate was prepared and sent in October. I've attached a copy of it. I've also added a letter I prepared for you about Workman's Comp, which I gave the same date as the insurance certificate. In looking back over old e-mails to find the insurance certificate I noted the requirement of original endorsements, which I am not sure were ever sent to you. Yesterday I sent a query about that to my insurance broker, but I have not yet heard back about that.

Amy,

Good Morning!

I left a voice message as well to see if you had time to speak with Mindy and I to provide an update to your report. Also, our City Attorney is requiring the following as it pertains to insurance.

In order to sign off I will still need proof of:

- i. Auto Insurance. If the vendor plans on coming down to our City. (or request waiver if auto not used)
 - ii. Workers' Compensation. (or request waiver if no employees)
 - iii. Endorsements.
1. Additional Insured
 2. Primary
 3. Non-contributory

Let me know if you have any questions.

Best Regards,
Fred
