

MOD - model: WS-W65607
dweLED™ Outdoor Sconce

WAC LIGHTING
Responsible Lighting®

Fixture Type:
Catalog Number:
Project:
Location:

PRODUCT DESCRIPTION
Expertly crafted from die cast aluminum, the Mod family features a smooth curved modern shape. ADA compliant and Dark Sky friendly, ideal for exterior residential, hospitality and commercial applications.

FEATURES

- Diecast aluminum construction
- Dark Sky friendly
- Luminaire may be rotated 180° when mounting
- ETL & cETL wet location listed
- ADA compliant, low profile design
- 100%-10% electronic low voltage (ELV) dimming
- Driver located inside the fixture
- Universal driver (120V-220V-277V)
- CRI 90
- Color Temp: 3000K
- Rated Life: 70,000
- 5 year warranty

SPECIFICATIONS

Construction: Diecast aluminum construction

Light Source: LED

Dimming: 100%-10% Electronic Low Voltage (ELV)

Standards: ETL & cETL wet location listed, IP65, ADA compliant, Dark Sky Friendly

Watt	Lumens	Delivered Lumens	Finish
16.5W	1165	850	BZ Bronze GH (Graphite)

Example: WS-W65607-BZ

UTA-31891
Tango 32 Up/Down Light

LIGMAN
LIGHTING USA

Wall luminaire with a selection of light distributions and LED wattages with upward & downward light distributions. The Tango is unique as it is available with Type I (UL/V and light fixtures, Specifying up to 40° at center), and a 14° mounting height with a 2:1 fc over can be achieved using the type II optic. This provides higher energy savings and reduced installation costs. The Tango is a compact, surface mount fixture that can be manufactured using different type beam distributions for up and down optics.

Integral electronic control panel.

Matching surface mount conduit boxes are provided with the fixture. Matching surface mount conduit boxes are available as an option.

Custom round pole adapters can be manufactured to suit specific pole diameters for column mounting applications. Please contact the factory for more information.

For the Cylindrical up/downlight option, see Tango 31.

Physical Data

Length: 7.3"

Height: 11.4"

Weight: 18.5 lbs

IP65 • Suitable For Wet Locations

IK08 • Impact Resistant (Vandal Resistant)

Aluminum Casting

Less than 0.1% copper content – Marine Grade L6M Aluminum High pressure die casting

Finish

All ligman products go through an extensive finishing process that includes fettling to improve paint adhesion.

Paint

UV stabilized 4.0mil powder coat paint and baked at 200 Deg C.

This procedure ensures that ligman products can withstand harsh environments.

Hardware

Mechanical hardware in Marine grade 316 Stainless steel.

Anti Seize Screw Holes

Tapped holes are infused with a special anti seize compound, designed to prevent corrosion from threaded connections, due to electrolysis from heat, corrosive atmospheres and moisture.

Mounting

Provided with special selection needed "fit" for purpose" long life high temperature memory wire. The superior thermal heat sink design by ligman ensures maximum lumens per watt output, as well as ensuring maximum flux output, as well as less than 10% lumen depreciation at 50,000 hours.

Optics & LED

Precise optic design provides exceptional light control and precise distribution of light. LED CR: 80

Surge Protection

Standard 10kV surge suppressor provided with all fixtures.

Lumen Maintenance Life

L80/B10 at 50,000 hours (This means that at least 90% of the LED will achieve 80% of their original flux)

Bus Rating

B1-10-1G1

Options (Consult Factory for Pricing)

Lamp: 12-Volt 20W 2x10w LED 2x10w T2-T 2x10w T3-T 14-Volt 9-Watt 277V Lamp fixture for 2x10w LED

Finish Color: W27 - 2700K W30 - 3000K W35 - 3500K W40 - 4000K W45 - 4500K W50 - 5000K W55 - 5500K W60 - 6000K W65 - 6500K W70 - 7000K W75 - 7500K W80 - 8000K W85 - 8500K W90 - 9000K W95 - 9500K W100 - 10000K

LED Color: F - Flood Light Pack DM - D-10v Dimming

Power: 120V 208V 240V 277V

Color Rendering Index (CRI): 90 95 97 98 99

Voltage: 120V, 208V, 240V, 277V

Mounting: Standard 6 ft. Pole Mount, Surface Mount, Pole Mount with Pole Adapter

Length: 12"-96" in 6" increments

Rating: IP65, IP68

Total Height: 1.48" (Excluding clip 1.23")

Ordering Example: UTA-31891-2x37w-T2-W30-02-120/277V- Options

BOCA
FLASHER

Specification Sheet
HPNLS-HO

DATE: TYPE: PROJECT: CUSTOMER:

Line Voltage Linear LED Strip Fixture

Dimmable solid color line voltage fixture fabricated with a variety of options. The Boca HPNLS-HO is a high-output fixture well suited for many lighting situations where output is of concern. This line voltage version eliminates the need for secondary transformers, making installation contractor friendly. Boca's CleanDri™ technology ensures even dimming from 0-100%. The HPNLS can be fabricated with a range of optics and color temperature choices, affording a multitude of distribution and effect options. The housing is anodized aluminum with a durable finish making it weather and abrasion resistant. It is UL Listed for dry, damp or wet location (model dependent).

KEY FEATURES:

- Compact, variable light fixture for dry, damp or wet location use
- Fixture comes in 6" increments (3" minimum).
- Many options in optics, color temperature and accessories.
- Multiple different types of lenses.
- Uses standard linear feet per power feed-40ft @ 120V.

LENSES/OPTIONS:

Diffused **Key Features:**

- Interior use only.
- Best for direct view use.
- Lens is 1/8" (25 mm) thick, adds 1/16" to overall height of fixture.
- Contact Boca Flasher for tips with custom installations.
- Call factory for more information.
- 42% transmission.

Satin Ice White
