Subject: Re: IBEC: West parking access diagrams

Hi, Mike,

The distribution for self-park spaces will remain at: 3,110 spaces in the west parking structure, 650 in the south parking structure, and 365 in the upper level of the east parking structure, for a total of 4,125.

Thanks,
Dennis

Thank you Dennis. Can you provide a confirmation on the final space count for each parking structure? There was some discussion at our in-person meeting last week about those numbers shifting, and I want to ensure we are using the most up-to-date numbers.

Thanks,
Mike
