Thanks. For now I would just need confirmation that these are the only Special Event permits that the Forum got from the City for events in 2017 and 2018. Can you also check with Jerry on any unpermitted Special Events/Outdoor events that the forum had in 2017 and 2018, that may have not have necessarily had a formal application to Finance.

Mindy,

This what I could get from Peggy. Do you need additional information?

Thanks

Hi Eddy,

Can you please get a copy of any Special Event permits that the Forum obtained in 2017 and 2018? Thanks.
