Thanks, Christina. We're going to wait a bit to see how any meetings shake out before deciding whether we come in on Sunday or early Monday, but we'll let you know. But if we're going to be there for the 1:00 meeting, we should at the very least get in a couple hrs before that so one way or another, we should be available for lunch beforehand.

Hi David and Joe,

Thanks for taking the time to talk with the team today about the Inglewood Basketball and Entertainment Center (IBEC) project. We're looking forward to working with you. As discussed today, we prepared an Administrative Draft Project Description that will be used in the environmental impact report (EIR). We just sent it out to the City and Applicant teams for review, so please treat the information as preliminary and subject to change. You can access it at these links (links expire in 10 days):

We also talked about meeting face-to-face on Monday, November 5. We'll try to schedule our meeting for 1-4pm, and we'll put the Market Study as an agenda item. The meeting will be at 1 West Manchester Blvd., Inglewood, in the 1<sup>st</sup> Floor Community Room. Brian and I are flying to Inglewood in the morning, and it would be great to catch lunch with you before the meeting. Let me know what time your flight comes in and whether your schedule can accommodate that.

For the Administrative Record, which Whit Manley touched on, we need to keep a detailed log of our documentation. I've attached some information about communication as well as the special legislation passed for the project (AB 987).

I'm happy to answer questions as they come up. Thanks, and we'll talk soon.

Christina
