Hi, Tom and Netai,

We'd like to have one final review with your team of the trip/transportation section, but that is still under revision and won't be included today, though there will be an update and we'd like to discuss a time for a smaller group to review next week.

I would suggest that you would definitely be okay monitoring from the road and maybe chiming in on the schedule discussion, or if Mike can handle that, and we don't need to rush to have Netai join us.

Hi Dennis –

What do you see as F&P's role in this call? I can participate in the first couple of hours, but I will be in a car driving back to LA from San Luis Obispo. Netai has a medical appointment in the morning, but may be able to participate in the 2nd half of the period.

Are there any materials you can send us in advance?

- Tom
