**Subject:** IBEC: Status Update on Metro Station Architectural Drawings

Good morning,

Hope you all had a good week. We've received the Crenshaw/LAX station Architectural Drawings for the three rail stations (Downtown Inglewood, Fairview Heights, and Westchester/Veterans) located in Inglewood from Metro.

The architectural drawings can be accessed at the following link:

Also, we are currently working with Metro on obtaining the architectural drawings for the Green Line stations and should have them by the end of next week.

Thank you,

**Perla Solis**
