I sent it to them yesterday. I am not sure when it will go out yet.

Hi Chris,

I wanted to follow up and make sure that the revised survey has been forwarded to the Clippers. When do they anticipate sending the survey out to their fans?

I don't know if it's helpful, but a draft cover email (below in italics) is here in case it helps the team send out the survey.

Hi (recipients name),

We want to hear from you about your game-day experience as we plan for the future. Please take 5 minutes to complete a brief survey about how you travel to and from games. We are always looking for ways to improve your Clippers experience, and your answers will help us. Your input is very important to us and your answers will remain confidential. Everyone who completes the survey will be entered into a lottery to win XXXXXX!

Please follow this link to the Survey: Take the Survey

Go Clippers!

Thanks,
Christina

Chris,

Thank you for the good news.

We've updated the survey to remove question 2 (When do you attend games) and combine questions 12 and 13 (How early do you arrive), shortening the survey to a total of 13 questions. The survey is not available in MS Word format, but exists on-line here:

<https://docs.google.com/forms/d/1CWP1tkF4owfLrutH2FsAKtmkTFDi5RXOaA9OuYhD0xk/edit>

Some Notes:

1. If the Clippers want to use Google Survey to administer it, they should contact Mike Samuelson (copied on this email) and he can arrange to share his access. If the Clippers wanted to use a platform other than Google Forms/Survey, they should request edit access from Mike then input the questions and responses into their preferred format.
2. If the Clippers maintain separate emailing lists for active/current fans versus inactive/past fans, however they define those categories, we suggest sending the survey only to the list of active/current fans.
3. The Clippers should complete, or remove, the last sentence of the survey that refers to an incentive for completing the survey. As it stand now, that reads: "If you'd like to be entered to win a free XXXX, please enter your email below."
4. We guess that most fans who choose to take the survey will do so fairly soon after it's sent out. To be most helpful for EIR analytical purposes, we would like to receive the results in a month, by June 15.
5. When sending the results, please provide us with the raw survey data so that we can cross-tabulate the results over various questions; a summary of the results would be far less helpful.

Please confirm receipt of this email and let me know if you have any questions. Thank you for your help.

Christina
