That would be good. I'm on a flight from 8-9:30am tomorrow so could get on a call at about 10am.

Hi team - I connected with Loren and Dennis and they too want to discuss the following:

1. Data Needs Review
2. Concept Design and Site Plan
  - A. Proposed Project and Variant
  - B. Pedestrian Circulation and Pedestrian Bridge
  - C. Transit and Shuttles
3. Legislation Update
  - A. Certification Application
  - B. Transportation Assumptions
4. Project Objectives and Alternatives
5. Analysis Methodologies
6. Agency Coordination and Outreach

I think it is still may be better to meet live for those that can, but do not think we will take all 4 hours. Christina, Mindy, Brian - can we jump on a call early tomorrow to decide on whether we think this agenda warrants an in person meeting requiring folks to fly down to LA.

Lisa and Catherine,

I see the email Catherine sent with the Forum Traffic Control Plans, but without any context of how this fits into the IBEC meeting scheduled for Monday, August 27. I would like to talk about a meeting agenda. Specifically, I'm not sure we have enough material to justify a four-hour in-person meeting. When we initially talked about setting up a meeting for next Monday, we thought we would have more detailed plans from the applicant team to review in detail. Given our understanding of where the planning work is, a an in-depth meeting seems premature.

There's probably a handful of items that we can talk about, and I'm specifically looking for your feedback:

1. Site circulation
2. Forum traffic control plans
3. Legislative update
4. Project objectives
5. Project alternatives
6. Update on information needs
7. Other

I am of the mind that we could accomplish those discussion items with a conference call/WebEx, and not meet in person on Monday. Lisa – I've left you a few voicemails and we are having a hard time connecting. Catherine – I do not seem to have a phone number for you. Please advise.

Thanks,

## Christina
