**Subject:** IBEC Meeting Agenda

Lisa and Catherine,

I see the email Catherine sent with the Forum Traffic Control Plans, but without any context of how this fits into the IBEC meeting scheduled for Monday, August 27. I would like to talk about a meeting agenda. Specifically, I'm not sure we have enough material to justify a four-hour in-person meeting. When we initially talked about setting up a meeting for next Monday, we thought we would have more detailed plans from the applicant team to review in detail. Given our understanding of where the planning work is, a an in-depth meeting seems premature.

There's probably a handful of items that we can talk about, and I'm specifically looking for your feedback:

1. Site circulation
2. Forum traffic control plans
3. Legislative update
4. Project objectives
5. Project alternatives
6. Update on information needs
7. Other

I am of the mind that we could accomplish those discussion items with a conference call/WebEx, and not meet in person on Monday. Lisa – I've left you a few voicemails and we are having a hard time connecting. Catherine – I do not seem to have a phone number for you. Please advise.

Thanks,  
Christina
