(a) Annual number and size of concerts may vary according to market conditions and availability of the arena.

(b) Examples of family shows include Disney Live, Harlem Globetrotters and Marvel Universe Live.

(c) Examples of other sporting events include college basketball, boxing, lacrosse, arena football, or non-recurring events such as professional wrestling shows. Events could be professional, collegiate or amateur competitions. Other events could include speaking events, civic events such as local graduation ceremonies, or events in the plaza.

(d) Examples of corporate or community events include small conventions, conferences, cultural events, civic events and private events. Events could be hosted on the arena floor or in club, lockerroom and

(e) The current NBA playoff format, implemented in the 2002-03 season, involves 14 rounds of best-of-seven series and allows for a potential maximum of 16 home games in one season. Based on an analysis of the past playoff appearances of all current NBA teams, the anticipated average annual number of home playoff games is 3 games.

(f) Average anticipated maximum attendance is 7,500, but rare events anticipated to occur infrequently (one to three times per year, depending on the year) may experience attendance levels of up to 18,000.

(g) Estimates do not include full-time arena management and operations employees, Clippers basketball operations employees including players and coaches, Clippers employees that work in the management offices

(h) Provided by Venue Solutions Group based on the former Magic and Amway Center operations, includes 115 event-day non-Clippers employees and 120 Clippers employees to provide game-day operations support.

(i) Provided by Venue Solutions Group based on the Amway Center operations.

(j) Concerts, family shows, other events, and corporate / community events may be scheduled throughout the year as permitted by LA Clippers home basketball games

(k) The majority of LA Clippers regular season home games would start at 7:30 pm per the stated preference of the LA Clippers and comparable team schedules in the Pacific Standard Time zone
