

## Project Summary

Murphy's Bowl LLC has proposed the Inglewood Basketball and Entertainment Center project to serve as the new home of the LA Clippers in the City of Inglewood.

Arena	18,000 seats for LA Clippers basketball games, with capacity for up to 18,500 for other events
Team Practice and Athletic Training Facility	Approximately 85,000 square feet
LA Clippers Team Office Space	Approximately 55,000 square feet
Sports Medicine Clinic	Approximately 25,000 square feet
Ancillary uses including retail, dining, and community space	Approximately 40,000 square feet

The proposed project also includes an outdoor plaza with an approximate site area of 260,000 square feet and parking facilities sufficient to meet the needs of the proposed uses. Anticipated events at the Inglewood Basketball and Event Center include LA Clippers preseason, regular season, and playoff home basketball games as well as other events such as concerts, family shows, other sporting events, conventions and corporate or civic events, ranging from small events of approximately 300-2,000 attendees to full arena capacity of 18,500.

## Project Site Location

## Project Site Key Facts

- No homes, apartment buildings, or churches on the Project Site.
- The proposed Project Site includes 5 developed parcels (15% of the total project site) and vacant land (85% of the Project Site).
- Approximately 84% of the Project Site is owned by the City of Inglewood or the City of Inglewood as Successor Agency to the Inglewood Redevelopment Agency.
