Hi Fred

Sorry for the duplicate. Inadvertently hit send too soon. I am acknowledging receipt of your email. However, I must note it is the first time I am seeing the letter dated August 2018.

I will will review and respond accordingly.

Sabrina,

The team working on the proposed Inglewood Basketball and Entertainment Center is requesting assistance from the Parks & Recreation Department to address potential impacts on parks and recreation services and facilities. (See attached letter)

We were in hopes of receiving this information by September 10th to maintain the project timeline. Your assistance is greatly appreciated to expedite the responses necessary to proceed with analysis.

Please let me know if there is someone within Parks & Recreation Department that I should specifically contact. I can be reached at 310.499.3338.

You may also be contacted by Catherine Aguilar with Trifiletti Consulting.

Best,
Fred
