Hi Mindy, Jason forwarded your email asking for a meeting with David Stone, to me. I understand Mr. Stone wants to discuss programming plans for the Stadium and Performance Venue. In fact the person handling scheduling was just hired several weeks ago, and will not be ready to discuss plans for probably 60-days. She is just beginning to work on future planning, coordination with the Chargers, etc. It would help if Mr. Stone could provide some written guidance as to the nature of the information he is looking for, as well as what the ultimate work product will be. For example, is there a scope of work for his report?

I am happy to discuss at your convenience, so that we can get you the information you require in a prompt manner. Many thanks, Amy

Amy R. Forbes
