## Meeting Canceled until further notice.

June 26  
11-1pm

*Subject: Murphy's Bowl Communication Protocol*

*This is a follow-up to the meeting held on March 14, 2018 to discuss the communication protocol for the Murphy's Bowl project. An electronic file saving framework has been set up by the City's IT Department that will be used to gather all past and future records pertaining to this project.*

*We ask that each Department appoint a point person who will be responsible for checking with each of their Department members, on a weekly basis, for any emails, correspondence or documents received or sent on the Murphy's Bowl project. The point person will then be transferring all files to the shared file storage location.*

*For this communication protocol meeting, we ask that both the Department head as well as your designated point person attend from each Department.*

*Thank you and please contact Mindy Wilcox (4241) for any questions.*
