Subject: IBEC: Screencheck Draft Summary Table

Team,

The Screencheck DEIR Summary Table is included for your review and comment. As you know, there are several sections on which we are still working, and thus some of the impact conclusions and mitigation measures are not finalized, and thus not reflected in this document. The links expire in 14 days, please access and save these files. If you have any questions about this information, or trouble accessing the file, please let me know.

Thanks,

Brian
