Hello, Lisa: I am holding the 26<sup>th</sup> (let me know what time). I also am not the most critical to this meeting, so depending on numbers, will be flexible. Grateful it is set up and that we are making progress w/ FAA.

Thanks, Loren

**Subject:** IBEC: FAA Meeting

**Importance:** High

Hi guys,

Are you available to meet with FAA on the 26<sup>th</sup> instead of this Friday? The FAA is unable to meet with us now and requesting to reschedule. They understand the discussion is to 1) provide an overview of the project, 2) initiate the discussion on applications necessary for ALUC, and 3) initiate the discussion on the potential future 7460 application, if that ever is necessary.

Please let me know who will be in the meeting, and if the 26<sup>th</sup> will work for you guys.
