Wow! Do you expect me to enter all these email addresses individually or is there a way I can use the list to automatically populate the email address? Have you ever sent an email to this group? If so, send it to me and I can use it to forward a new email.

Good day Artie,

I have revised our message slightly based on feedback received from the team. Revised message is below and attached is the email list it should go to.

We are in the final stages of preparing the Administrative Record for the Clippers/Murphy's Bowl project and posting online. Thank you to those of you who have been receiving project correspondence/materials and then uploading it to our shared drive over the past number of months.

Please note that beginning on Wednesday, August 14 we need to start following the below schedule of uploading emails and other documents twice a week. It is important that we follow the schedule specified below in order for our Administrative Record to meet certain State legal requirements associated with the proposed arena project.

Day of Week Correspondence Received	Deadline to Upload to Murphy's Bowl Drive
Wednesday thru Sunday	The following Monday at 10am
Monday thru Tuesday	The following Wednesday at 10am

Please note that as we begin this new schedule, on Wednesday, August 14 by 10am you will upload any and all past documents that you have not previously uploaded, through Tuesday, August 13. After that, adhere to the above schedule of uploading documents for the two or five day period specified above. We will send calendar reminders to anyone who we know has been uploading documents, for the Monday and Wednesday 10am uploads. If you would like to receive the calendar invites, please email Mindy Wilcox and you will be included.

As a reminder, the following types of documents need to be uploaded to the shared "Murphy's Bowl" drive:

- Emails sent or received pertaining to the Clippers/Murphy's Bowl/IBEC project (Project)
- Electronic documents downloaded from emails that pertain to the Project
- Hard copy materials received or issued that pertain to the Project

For any questions, please contact Planning Manager Mindy Wilcox at x4241.
