Hi Louis,

Would it be possible to get a statement from your department acknowledging that there are no certifications available from the City of Inglewood?

Thank you so much!

Monica,

Just following up on the issue of SLBE certification per my email of 12/21 below. I am trying to wrap up our assessment this week and would like to know where this stands. Thank you.

Monica,

Thank you for the responses and updated proposal. Regarding SLBE certification in the city of Inglewood I do not have the criteria. I would suggest that you contact the City and ask to speak with the individual who oversees this, or if they have written criteria to procure a copy of that.

Thank you.
