Subject: RE: Inglewood Stadium - Confirmation

Hi Carlo and Miya,

Thank you again for your help in setting up and we look forward to seeing you all at 11 am.

We will have some folks calling in from F&P so would you like us to send out a call-in number for the meeting? We also will have a Powerpoint to share with you so wanted to make sure that we have the technology available to share the Powerpoint.

Finally, the following people will be coming from the City and IBEC team:

Peter Puglese
Mindy Wilcox
Tom Gaul
Gerard McCallum
Loren Montgomery
Lisa Trifiletti

On the phone will be John Gard from Fehr & Peers, and also possibly Louis Atwell, Director of Public Works.

Subject: Inglewood Stadium - Confirmation
When: Thursday, August 22, 2019 11:00 AM-12:00 PM (UTC-08:00) Pacific Time (US & Canada).
Where: Caltrans 12th Floor - 12.031

Greetings all,

This meeting is still on, please note the slight time change. I am resending this invitation to finalize the attendee list, given a small malfunction that happened with the other appointment. Below is the original invitation:

As you are aware, Caltrans has been working with City of Inglewood and their consulting agency, Fehr and Peers, to minimize the potential impacts of the proposed "Inglewood Basketball and Entertainment Center" (GTS# 07-LA-2018-02415). Per our most recent discussion with Fehr and Peers, we would like to coordinate a meeting on **Thursday, August 22 at 11am**, to discuss the following:

- An update on the current status of the proposed project
 - o Fehr and Peers would like to revisit the proposed established methodologies and make sure Caltrans and the Lead Agency are in agreement
 - Traffic Impact Analysis
 - Mitigation
 - o Fehr and Peers would like to begin to discuss potential mitigation efforts, though nothing has been firmly identified. Fehr and Peers has mentioned this topic as an ongoing process over the course of future meetings
- If you have any questions or comments please let me know. We look forward to your participation at this meeting. Thanks!

Best,

Carlo Ramirez
