Subject: FW: Murphy's Bowl Contact Information

Good morning Chris,

I spoke to the gentleman below and explained that we are in an ENA regarding the properties that include this site. He now wants to be introduced to someone from the Murphy's Bowl. Can you advise? This is the second call I have received from someone in the ENA area this week. The other was a broker looking to lease a property there for 5 years and wanted to see if he could lease some of the City property for parking.

With all the news on this, I expect our calls about it to ramp up...

THANKS

Subject: Murphy's Bowl Contact Information

Hi Sharon,

Hope you are doing well! I'm not sure if you recall, but we actually spoke a few weeks ago when I called about a city-owned parcel of land located next to 3820 W. 102nd St. You had mentioned how because of the ENA with Murphy's Bowl, the city wasn't allowed to talk to us about doing anything with that parcel. So I was wondering if you, by any chance, would be able to share the contact information for the appropriate person at Murphy's Bowl to reach out to talk

about doing something on that land? Or maybe there is a colleague of yours you could point me to who would know the right person at Murphy's Bowl to reach out to? Any help you could provide would be greatly appreciated.

Best,

Matt Holz
