Lisa / Mindy / Peter,

Thank you all for coming to Centinela Hospital this afternoon in an effort to kick-start the process of developing a hospital access plan to support the City of Inglewood and surrounding communities. As discussed and promised, enclosed, please find the LA County EMS Service Area for the hospital. This is a public document located on the LA County website.

When you have a chance to review the area report, let us know about next steps.

Best regards,
