We should do in person. Lijin, can you reserve a room? Also, are we wanting to invite our legal counsel for some portion of the discussion? Just want to coordinate and invite the right people.

Hi Lisa,

Thank you for the voice message. Hope this email finds you well.

I understand you want to get together for the IBEC project before the public release. Are there any dates/times that will work well on your end? Will you need one hour or two hours? Could you also let me know what topics, i.e., areas of the air quality analysis, you want to discuss? It would help us determine appropriate staff to include. Will the project's attorneys join you and Heidi for the discussion?

Thank you,

Lijin 909-396-3308
