Re: Available Parking at Hollywood Park Casino for Inglewood Basketball and Entertainment Center Patrons

Dear Ms. Wilcox:

The Hollywood Park Casino contains 1,661 parking stalls available for use by casino patrons. On a typical day, approximately 1,035 to 1,085 of these parking stalls are filled by casino patrons. We therefore anticipate, under current operating conditions, that approximately 575 to 625 of these parking stalls would be available for use on days when area events create a high demand for parking.

These parking stalls would be made available to events generated by the Inglewood Basket and Entertainment Center, the Los Angeles Sports and Entertainment District, and events generated by the City of Inglewood and the general public at market-driven prices.

Sincerely,
