CHAPTER 12. PLANNING AND ZONING							
Article 23. SIGN REGULATIONS							

Section 12-75. Prohibited Signs.

The following signs and/or sign-structures are prohibited:

- (A) Signs Not Specified. Any sign, sign structure, or advertising device not specifically permitted in this Article.
- (B) Traffic Safety. Any sign or device which by design or location resembles or conflicts with any traffic control sign or device.
- (C) Safety Hazard. Any sign or device that creates a potential safety hazard by obstructing views of pedestrian and vehicular traffic at street intersections or driveways or by creating glare or other hazardous distraction.
- (D) Safety Clearance. Any sign that is erected within six feet horizontally or twelve feet vertically of any overhead electric conductors exceeding seven hundred fifty volts.
- (E) Roof Sign. Any sign erected upon a roof, or attached to a building and projecting above the roof line or eave line of said building, unless a Special Use Permit pursuant to Article 25 of this Chapter has been approved and only when it can be determined that circumstances prevent the utilization of any otherwise permitted signage.
- (F) Incompatible Signs. Any sign or sign structure that interrupts or covers a major architectural element upon a building or that disrespects such architectural considerations as symmetry, design, materials, or color.
- (G) Nondurable Material. Any sign constructed of a nondurable material including, but not limited to, cloth or other fabric (except when used as a political or other temporary sign), cardboard, paper, and unfinished wood.
- (H) Wind-activated Sign. Any wind-activated sign, including, but not limited to, flags, pinwheels or string pennants (except as specifically permitted in this Chapter).
- (I) Painted Wall Signs, unless a sign adjustment pursuant to Article 26.1 of this Chapter has been approved, and can/cabinet wall signs. Neon wall signs are excepted.
