Hi Mindy,

This is my proposed response to ESA. I would appreciate your thoughts.

Gordon Anderson: *M.B.A. Over 40 years' experience in executive municipal management, finance and major project development/implementation; including public/private partnerships for commercial, entertainment, transit and solid waste project development and implementation. Current Scope of Work includes "representing the City of Inglewood, coordinate with and facilitate the efforts of various consultants, attorneys, City staff and Clipper project team principal(s) to ensure continued processing of the environmental impact assessment related to the proposed new Clipper Arena".*

Thanks,
Gordon.

Subject: IBEC Report Preparers

Mindy and Gordon,

We would like to add Gordon to our list of EIR Preparers, but we are unsure how to do so. Gordon isn't an official employee of the City (at least that's my understanding) – should we add him to Other Consultants? If so, this is the format that we request Gordon fills out for us:

Lighting Alliance Design

Matthew Bates: B.A. Interior Architectural Design. 8 years' experience. Responsible for the preparation of the lighting analysis and survey. Also responsible for the oversight of the photometric site analysis along with brightness analysis of the facades and digital media.

Please advise.

Thanks,
Christina
