Subject: IBEC: Email Address

Hi Matt and Maurice,

We wanted to request that a new email address be set up to receive public comments on the IBEC EIR that will be going out in the near future. This is needed so that we can ensure all public comments are received in a timely manner and are not lost in the 50-75 other emails I receive a day. Without a separate email address created, my email address would become the point of contact on the public notice. If this is possible, we would like to request the name ibecproject@cityofinglewood.org.

Please let me know any additional steps needed to facilitate this. Thanks.

Respectfully,

Mindy Wilcox, AICP : Planning Manager : City of Inglewood
