Subject: FW: Inglewood Rent Control Ordinance
Attachments: Minutes_06-18-2019 Inglewood City Council.pdf; Agen062519 Inglewood City Council.pdf

Mindi, as you can see in a prior e-mail, I have promised a revised report by Monday morning. If you see this before then, could you please let me know if this is the correct interpretation of recent events regarding Inglewood's rent control?

It appears that on June 11th, the permanent ordinance was amended and was supposed to be brought back. On June 18th, the extension of the temporary ordinance was passed (taking effect the next day). We see this on page 4 of the minutes attached. We are not sure what happened to the permanent ordinance, but it looks like it was introduced as amended, but we don't see a vote on it.

On June 25th, the permanent ordinance was on the City Council agenda (see page 8 of attached), but underneath it says "this item pulled from the agenda." So it appears that the temporary ordinance has been extended, but the permanent one has not yet passed.

I am wondering if you could please let me know if this is a correct interpretation of events.

Thank you, Amy Herman

Mary
