IBEC Internal City Team,

We just concluded a conference call to discuss the DEIR publication schedule. With the full concurrence of the applicant team and all stakeholders, it was decided to extend the publication date from September 10, 2019 to September 17, 2019.

This decision was not made without a full discussion of remaining steps required to get the best document published for the project which everyone has work diligently to achieve.

We will provide the new schedule the first the week.

Have an enjoyable weekend and Labor Day.

Gordon.  
City Consultant.
