Good morning Lisa:

I got messages that you called; I apologize I was not available. I have not been able to get a good read on Jillian's schedule while trying to confirm some other meetings that are pending. As of right now, the first week of October is not a good week for us, however, I can send you dates for the following week, the week of October 8<sup>th</sup>.

Please let me know if this will work for you.  
Celia

Following up on the call and email, and hoping to please set up a meeting with Jillian and Lijin for the first week of October. As mentioned, the City of Los Angeles is requesting a meeting to discuss the Southwest Valley Community Plan and the Harbor Gateway Community Plan update. The LA Dept of City Planning will likely bring Blake Lamb, Christine Saponara, Rebecca Valdez, myself and the City Attorney Cathy Phelan. Hoping you can please circulate some dates soon to lock in times and appreciate you help in light of busy schedules.

Regarding your request for a meeting with staff, can you let me know who else will be attending, particularly if any counsel will be attending? This way, I can coordinate with all staff, including ours.

Thanks!

Hi Lijin,

Just wanted to make sure we are confirmed now for IBEC. I think we are all set.

Also, I am supporting the City of Los Angeles Community Plan update for the Southwest Valley Community Plan Update, and Blake Lamb (who you met) wanted to set up another meeting with you and your team to talk about the Southwest Valley Plan Update as well as the Harbor Community Plan. Would you be able to meet during week of September 23<sup>rd</sup>?

Thanks,  
Lisa

We should do in person. Lijin, can you reserve a room? Also, are we wanting to invite our legal counsel for some portion of the discussion? Just want to coordinate and invite the right people.

Hi Lisa,

Thank you for the voice message. Hope this email finds you well.

I understand you want to get together for the IBEC project before the public release. Are there any dates/times that will work well on your end? Will you need one hour or two hours? Could you also let me know what topics, i.e., areas of the air quality analysis, you want to discuss? It would help us determine appropriate staff to include. Will the project's attorneys join you and Heidi for the discussion?

Thank you,
