Hi Addie,

Yes, it is the first row and I'm sorry I forgot we are bringing it to both libraries so we need a total of 5 full copies but only 4 will be for public use (2 and the libraries, 1 for planning, and 1 for city clerk). If needed, either the Planning or Clerk copy could trail our publication date too, making just 3 available on the publication date.

Respectfully,

Thank you, Mindy.

Can you please clarify which of these are to be made publicly available (2 libraries and 1 at the City)? I assume the first row (all hard copy) but just want to confirm.

Hi Christina and Addie,

Here is the final determination on copies needed by the City of the draft:

DEIR (including Executive Summary) and Appendices =4

DEIR (including Exec. Summary and no appendices)= 7

Executive Summary + Mitigation Table (if not already in the Executive Summary) + Stone Report + Herman Report (can be prepared as individual pieces)= 5

thumb drives with all docs = 5

Please let me know if you have any follow-up questions or need any additional information.
