Chris,

Please let me know if you have any comments on the below before I send to Linda. Thanks.

Good day Linda,

The City is working on street circulation associated with the proposed Clippers arena and we wanted to set up a meeting with you or someone from your office to discuss emergency vehicle access to Centinela Hospital. Please advise on who would be best for us to meet with. I've also copied Lisa Trifiletti, a consultant for the City who will be coordinating and facilitating this outreach. Thanks very much!

Respectfully,
