Good day Gordon,

Can you please keep me in the loop of items forwarded to the City Manager. Helps me to respond should I need to reply to basic questions. Please send the Augmentation Request mentioned in the previous email. Also, should the Subject line have the IBEC tag as previously agreed on? It helps with the AB 987 requirements. Thanks!

Mr. Fields,

Per our discussion, attached is the augmentation request related to the proposed Clipper Area project. As indicated in the letter, this request along with other augmentation requests will be reviewed with the applicant later this week. Scheduling of Council action is anticipated the first of November 2019.

If you should have any questions, please let me know.

Gordon.
