Jonathan, as I anticipated, my colleague Sarah confirms that the IMPLAN sectors you and Brian identified must be old ones. For example, Sarah tells me that IMPLAN has not had a sector called Spectator Sports since 2012, but even then it was not sector 472. We don't exactly know what to match that one up with based on the current IMPLAN choices. The industries listed below make up the entirety of IMPLAN's current amusement and recreation sectors.

- 488 Performing arts companies
- 489 Commercial Sports Except Racing
- 490 Racing and Track Operation
- 491 Promoters of performing arts and sports and agents for public figures
- 492 Independent artists, writers, and performers
- 493 Museums, historical sites, zoos, and parks
- 494 Amusement parks and arcades
- 495 Gambling industries (except casino hotels)
- 496 Other amusement and recreation industries

Also on the food and drinking places, there are now different choices than the outdated title you cited. Now there is full service, limited service and other food and drinking. We had chosen limited service in the data we generated for you.

So, let me know if what I sent you back over the weekend will suffice, or if you want to take a different take on Spectator Sports based on the sectors cited above. I don't see an easy substitution.
