Hi Mindy,

I wanted to confirm this is the latest direction on production. Please let us know ASAP whether there are any changes – it is a schedule critical item.

DEIR (including Executive Summary) and Appendices =4 (only one full set of appendices to be placed in library; the other three will be reduced set of printed appendices)
DEIR (including Exec. Summary and no appendices)= 7
Executive Summary + Mitigation Table (if not already in the Executive Summary) + Stone Report + Herman Report (can be prepared as individual pieces)= 5
thumb drives with all docs = 5

Hi Addie,

Just wanted to clarify that the 5th full copy is to be kept in the Council office for their use. Assuming it would lag by no more than 1 week, that one can lag from the publication date.

Respectfully,

Thank you, Mindy.

Can you please clarify which of these are to be made publicly available (2 libraries and 1 at the City)? I assume the first row (all hard copy) but just want to confirm.

Hi Christina and Addie,

Here is the final determination on copies needed by the City of the draft:

DEIR (including Executive Summary) and Appendices =4

DEIR (including Exec. Summary and no appendices)= 7

Executive Summary + Mitigation Table (if not already in the Executive Summary) + Stone Report + Herman Report (can be prepared as individual pieces)= 5

thumb drives with all docs = 5

Please let me know if you have any follow-up questions or need any additional information.
