Thank you Royce, we will review and provide comment in your timeframe. Could you also provide the LAWA letter agreement documents? Best, Tay

Good evening Tay,

Attached please find the revised Oversight Board resolution we are prepared to take to the Oversight Board for approval. Both Gustavo and I have reviewed your draft resolution and felt that the referencing and reaffirming the terms of the Amended ENA in the resolution was inconsistent with the approach I described as wanting to take by simply having the SA request the OB directing the SA to implement the approved LRPMP by disposing of the "Noise Mitigation Properties" subject to the FAA grant agreement and LAWA letter agreement disposition requirements as a consequence of the acquisition funding provided by these two entities. Given the spirit of things here in Inglewood, specifically referencing and/or reaffirming the Amended ENA and the proposed basketball arena during as part of the public entity approval process would likely generate all types of unwarranted attention to what is simply a SA action and OB resolution approval action with respect to the implementation of the approved LRPMP.

In any event as you may or may not be aware, the SA meeting is now scheduled for June 19, 2018 and the OB meeting scheduled for June 27, 2018. Based upon this schedule, I will need to receive any comments from you by 12:00 pm this Thursday so we can comfortably meet the agenda posting deadlines. I will be in Sacramento tomorrow and will be available to talk if necessary either Wednesday between 4pm and 5pm, or Thursday morning between 10am and 12 noon.

Lastly, to facilitate your review of the revisions, a redline version of the changes is also attached.
