Can we resend to those lawyers, They are looking for every possible mistake to trip us up.

It is Madison Square Garden's owner of the forum and AEG owner of LA Live complex pretending to be residents in the area. Likely we will have a full house. I think people are getting paid to show up.

Okay. We will insert in package for Members and post appropriately online with the agenda. I'll resend the agenda when completed.

Thanks.

Hello Olga,
I was finally given the signed staff report.
