Subject: Re: Confidential Communication; Oversight Board submittals

Hello Tay. I understand that Public Counsel submitted a letter to the OB members today. I am out of town and will not be attending tonight's meeting but Gustavo will be there in my place. He is also sending you the Public Counsel letter. I've not read it so I don't know what is being said but will touch bases with Gustavo before the meeting to see if anything needs to be said by him to address the letter.
