Hello:

Yes, one letter of protest was received and two letters requesting a copy of the agenda and supporting documents was also received, which were forwarded to the correspondents last Friday I believe. I will bring copies of all three letters to the meeting this evening. In the interim, they are attached.

Take care.

Margarita and Olga,

Did either of you receive any communications regarding items on the OB agenda for tonight?

Let me know.

See you both tonight at the meeting.

Sincerely,
