Hi Josh,

Per our meeting the other day, we don't have the files yet for posting (and we don't have an eta) but below gives you a sense for the file size, at print quality. Please let me know how long you estimate it would take you to upload the below if we wanted to keep them at print quality. Thanks!

Thanks Addie. Also, can you tell me the approximate sizes of the PDF files that you'll be providing? Also, are they going to be set at print quality or web quality? Thanks.
