Thanks Addie. I think we may want to have both print quality and web quality online so I would like to get web quality at some point but would rather wait to get that until we have the green light.

Thanks Addie. Also, can you tell me the approximate sizes of the PDF files that you'll be providing? Also, are they going to be set at print quality or web quality? Thanks.

Thanks for this picture Addie, this was very helpful in coordinating with our library. Could you also please send me a close up photo of the covers of the first two volumes of the doc? Alternatively, if easier, you can just send me the PDFs of the covers. Thanks.

Hello,

For shelving space, there are roughly 20 volumes of 8-1/2 by 11, 5 inch binders, and 15 11 X 17 binders. The 11 X 17 binders don't really fit into a standard shelving space, so please consider that for space purposes. See attached photo.

Thank you,

Addie Farrell
