Hi Karen,

I wanted to make sure that I connected you with Josh in our IT Department who will be handling the website upload when we get the EIR. Josh is poised to get the document uploaded.

Josh: FYI we're anticipating the document becoming available for upload potentially as early as Monday of next week.

Respectfully,

Subject: IBEC IT Coordination

Hi Mindy,

Karen Lancelle, copied here, is leading our website efforts. I wanted to put her in contact with the person from your IT group so that can coordinate directly as needed, when the website goes live. Thank you for your assistance with this.
