Hi, Steve – I see your point. I'll check with the renderer on timing and get back to you.

Subject: IBEC View 8

Hi Dennis,

In his review of the EIR Aesthetics figures, Brian Boxer noted that the attached image does not depict HPSP structures as part of the baseline view. Is it possible to have this added? If so, how quickly could this be provided?

Thanks, and feel free to give me a call to discuss.

Thanks!

Steve Smith
