I know I scheduled this meeting but I think we should re-schedule it. I would prefer if this meeting came through Louis and/or Mindy. We discussed the ITS and provided our input for the IBEC project. We compared all the intersections with the IBEC ones and provided our comments. I would prefer to have this meeting with others too.

Please reach out of the others to see if they are available too

Hello Peter:

1. I would like to understand the City's currently planned ITS system phases 1-6. What intersections and improvements are covered? When will Phase 6 be complete?
2. What are the City's plans for future ITS improvements beyond Phase 6?
3. Discuss how to assess IBEC's contribution to City ITS improvements.

Thanks,

Chris Holmquist
