Do you have specific streets you would like to know?

Yes. Trivial, but it's part of our existing conditions write up. Thanks!

So you're asking if it's for Street sweeping vs garbage pick-up?

Hi Peter –

On the scale of things, this is a relatively minor question. But I'm going to go ahead and ask. 😊

In our review of the on-street parking restrictions on streets surrounding IBEC, we noticed quite a few with parking prohibited for a number of hours on one day of the week. We originally thought these restrictions might be for street sweeping, but then thought they might actually be for garbage pick-up. Can you confirm?

Thanks!
