Yes, ultimately it is for clarification on cost estimate
How about Tuesday next week? would that work better?
if not, maybe we can schedule a GoTo meeting

Thank you

This week is not good for us. We are busy all week since we have consultants in town. Is there a specific question we can address via email? Is this for cost estimation?

Peter/Victor

Can you please let me know when you have few minutes to talk.

I can stop by anytime today and meet you over the counter.

We have an exhibit showing all the intersections in question and just would like to clarify few items following up our call last Monday.

Thank you
